ALIENS DISCUSSION

STUDENT B's QUESTIONS (Do not show these to student A)

- 1) Do you think aliens are likely to be friendly or unfriendly?
- 2) What would you say to an alien if you met one?
- 3) What would you do if you saw a UFO in a field near your house?
- 4) Do you think aliens might have lots of viruses that could wipe out the human race?
- 5) If the secret service discovered an alien, do you think they would tell the general public?
- 6) Do you think aliens would be afraid of humans?
- 7) If aliens visited Earth for a week, what do you think they should see to fully understand us and our achievements?
- 8) How likely is it we will ever be able to visit a planet that has aliens?
- 9) Do you think it's worth your government spending money on alien research or sending signals into space in case aliens are listening?
- 10) If an alien visited Earth, what would it say about our planet and people when it returned home?
